

Roxtec FlamePlus frame

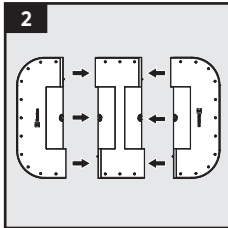

Visit roxtec.com for drawings, apertures, videos, ratings and certificates.

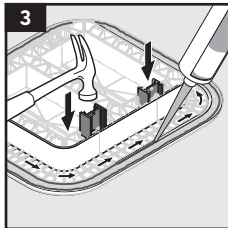

Art No: 219169 Doc No: DOC-006008 rev. B

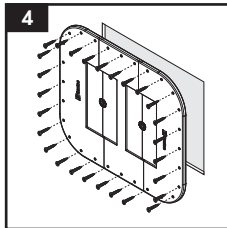

1 Make or verify an aperture.

2 Assemble frame parts.

3 Fasten the clips and add sealant.

4 Fasten the frame.

Before routing cables or pipes, knock out the lid and remove any residue.
