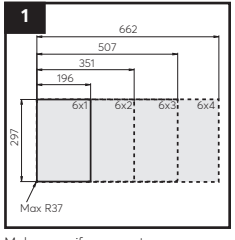
Roxtec

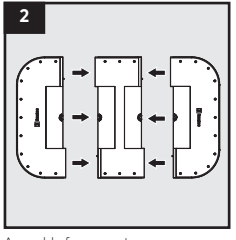
Roxtec FlamePlus™ frame

Visit roxtec.com for additional information, such as drawings, apertures, videos, ratings and certificates.

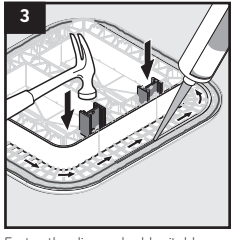
Art. no:219169 Doc. no:DOC-006008 rev. C



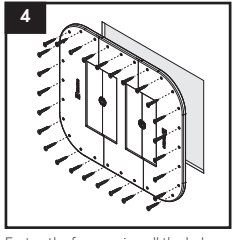
Make or verify an aperture.



Assemble frame parts.



Fasten the clips and add suitable fire sealant.



Fasten the frame using all the holes.

Before routing cables or pipes, knock out the lid and remove any residue.
