

# Roxtec knock-out sleeve

Sleeve with knock-out plate for sealing prior to cable and pipe routing.

The Roxtec knock-out sleeve (KOS) keeps your building dry during and after construction, and provides spare capacity for future needs. The sleeve is easily fixed and cast into structures of varying thickness and ensures a tight seal until its plate is knocked out for cable and pipe routing. The sleeves have an integrated feature which allows them to be connected into space efficient clusters. Once cables or pipes are routed, they are to be sealed with Roxtec UG™ underground solutions in the corresponding size.

- Light-weight
- Area efficient
- Quick and easy to install

## Product characteristics

Watertight

Gas-tight

IP/UL NEMA

## Structure of installation

Concrete

## Mounting type

Casting

## Ratings & certificates

### Tightness

- Gas: 0.3 bar (constant)
- Water: 0.3 bar (constant)
- IP 68

## Sealing components

### Sealing components

Knock-out sleeve
