

# **Roxtec SFHM transit**

Transit with metal frame and flange for bolting to the structure.

The Roxtec SFHM incl. gasket is a cable and pipe transit available in different materials and in a single or various combinations of openings. The transit frame with flange is produced in 10mm thick metal, has a TSL sealing strip and is bolted to the structure. The standard sealing modules are adaptable to cables and pipes of different sizes, and can be used to build in spare capacity in the transit.

Easy to maintain and inspect
