

# **Roxtec RS seal with SLFO/RI**

Penetration seal for a single cable or pipe.

The Roxtec RS with SLFO/RI is a seal with sleeve for single cables or pipes. The entry seal has two halves with removable layers making it adaptable to cables and pipes of different sizes. The design of the transit makes it easy to install around existing cables or pipes. The openable sleeve is bolted to the structure.

Perfect for retrofit

Adapts to cables and pipes of different sizes
